**RE: Demand for Removal of Misleading Political Sign Located at
1152-1154 W. Oakland Park Blvd., Wilton Manors**

Dear Ms. Kucherski:

The undersigned is counsel for the Broward County Supervisor of Elections. It has come to the Supervisor's attention that a large political sign has been placed on property you own located at 1152-1154 West Oakland Park Boulevard in Wilton Manors. A photograph of the sign is attached to this correspondence.

This sign, which promotes the candidacy of Joseph Biden and Kamala Harris, includes in large print, "BROWARD SOE," and posts the phone number for the Supervisor of Elections' Office. This sign gives the false and misleading impression that the Supervisor of Elections is endorsing or somehow involved in promoting a presidential and vice-presidential candidate. The Supervisor of Elections Office is not and does not endorse or support any candidate for elected office.

Our office has communicated with official representatives of the Biden/Harris campaign, who have stated this is not one of their approved signs. The creator of this sign is anonymous, and there are markings on the lower right corner of the sign indicating that this sign was "Volunteer generated, no official campaign affiliation."

We assume you were not aware of the false and misleading content of this sign on your property. But now that you have been made aware of this significant issue, our expectation is that you take appropriate and swift corrective action to either remove the sign or remove all reference to the Supervisor of Elections and the office's phone number from this sign.

Thank you for promptly addressing this situation. If you wish to discuss this matter, please call me at 954-357-7600.

Sincerely,

A handwritten signature in blue ink, appearing to read "N. Klitsberg", is written over the typed name.
