

ATTENTION VOTERS:

If you received a letter from the Voters Participation Center (VPC) or any other entity enclosing a voter registration application or a vote-by-mail ballot application, please be informed that it is outside the Supervisor of Elections' jurisdiction.

These outside organizations are getting their voter list from the state or other sources. And, we are not sure of the age of their record.

If you are a voter who needs to update your voter's status or would like to request a vote-by-mail ballot, you can do it online at www.browardsoe.org, or over the phone at 954-357-7050.

Thank you for being part of this important electoral process.
